

Toluca Lake Elementary

Mr. Jeffrey Daniel, Principal

October 2021

Message From The Principal

W

ith the winter months approaching, let's continue to be safe by washing hands often and consistently wearing our masks.

Our Halloween celebration this year will be on Friday, October 29. Regretfully, we will not be able to have a parade like we have done in the past nor will parents be allowed on campus. However, students will be able to wear their costumes to school all day. Additionally, there will be themed "spooky" stations to get treats. We will have music playing as well as a carved pumpkin contest. Finally, the Annual Spooky Story Contest will continue with winners earning prizes and having their stories posted on the school website.

It's important that all of us have a shared responsibility for all students. The collective efforts of teachers, parents, students, and the community contributes to the success of Toluca Lake Elementary. How do we achieve this? In a word: Perseverance. Our potential flourishes when we push past every challenge. It's okay to experience productive struggle. When we push ourselves to strive for more, that's when the real learning begins.

Let's continue our success of higher student achievement. And always remember, it's great to be a Tiger!

Stay Healthy this Flu Season: Wash your hands often

Studies show that consistently washing your hands throughout the day greatly decreases illness-related absenteeism during influenza season. Be sure to talk with your child about washing his/her hands throughout day, both in school and around the community. Remember, reduced student illness leads to improved students' academic performance.

More Than A Meal campaign -

Help us reach our goal - Apply today

(We need your help. Some schools are already at 100% - TL is only at 47%.)

- Please submit a meal application for the 2021-2022 school year.
- Completing an application could make your child(ren) eligible for future Pandemic-EBT benefits and helps provide funding for programs at Toluca Lake Elementary.
- Regardless of eligibility, ALL students will receive meals free of charge.
