

Toluca Lake Elementary

Mr. Jeffrey Daniel, Principal

May-June 2022

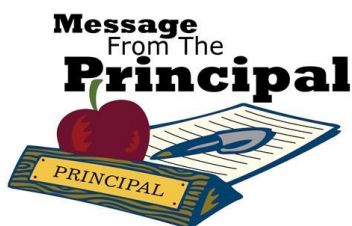

As we approach

the end of the year, I would like to thank the Toluca Lake school community for your patience and support during our very unique and challenging year. We endured masking, weekly Covid testing, social distancing, and much more. Yet, students, families, and staff were always understanding and supportive. They say it takes a village ..., well, our village is absolutely amazing! Thank you for the honor of being your principal. I truly enjoy what I do, and that's all thanks to you!

Please be sure to visit our school website from time to time. Important information is always being added. From our Multicultural Heritage Night to Open House to the end of the year activities, the website has the latest information.
